| 2001 – Present | Department of Education       | Secretary | RA 9155, August 2001<br>(Governance of Basic Education Act) |

In 1947, by virtue of Executive Order No. 94, the Department of Instruction was changed to the Department of Education. During this period, the regulation and supervision of public and private schools belonged to the Bureau of Public and Private Schools.

In 1972, it became the Department of Education and Culture by virtue of Proclamation 1081 and the Ministry of Education and Culture in 1978 by virtue of P.D. No. 1397. Thirteen regional offices were created, and major organizational changes were implemented in the educational system.

The Education Act of 1982 created the Ministry of Education, Culture and Sports which later became the Department of Education, Culture and Sports in 1987 by virtue of Executive Order No. 117. The structure of DECS as embodied in EO No. 117 has practically remained unchanged until 1994 when the Commission on Higher Education (CHED), and 1995 when the Technical Education and Skills Development Authority (TESDA) were established to supervise tertiary degree programs and non-degree technical-vocational programs, respectively.

The Congressional Commission on Education (EDCOM) report provided the impetus for Congress to pass RA 7722 and RA 7796 in 1994 creating the Commission on Higher Education (CHED) and the Technical Education and Skills Development Authority (TESDA), respectively.

The trifocal education system refocused DECS' mandate to basic education which covers elementary, secondary and non-formal education, including culture and sports. TESDA now administers the post-secondary, middle-level manpower training and development while CHED is responsible for higher education.

In August 2001, Republic Act 9155, otherwise called the Governance of Basic Education Act, was passed transforming the name of the Department of Education, Culture and Sports (DECS) to the Department of Education (DepEd) and redefining the role of field offices (regional offices, division offices, district offices and schools). RA 9155 provides the overall framework for (i) school head empowerment by strengthening their leadership roles and (ii) school-based management within the context of transparency and local accountability. The goal of basic education is to provide the school age population and young adults with skills, knowledge, and values to become caring, self-reliant, productive and patriotic citizens.

## **II. Mandate**

The Department of Education was established through the Education Decree of 1863 as the Superior Commission of Primary Instruction under a Chairman. The Education agency underwent many reorganization efforts in the 20th century to better define its purpose vis-à-vis the changing administrations and charters. The present-day Department of Education's mandate was established through Republic Act 9155, otherwise known as the Governance of Basic Education Act of 2001.

The RA substantially provides that the Department of Education (DepEd) formulates, implements, and coordinates policies, plans, programs, and projects in the areas of formal and non-formal basic education. It supervises all elementary and secondary education institutions, including alternative learning systems, both public and private; and provides for the establishment and maintenance of a complete, adequate, and integrated system of basic education relevant to the goals of national development.

## **III. Vision**

We dream of Filipinos who passionately love their country and whose values and competencies enable them to realize their full potential and contribute meaningfully to nation building.

### 3. Philippine Educational Placement Test (PEPT) – Online Registration

DepEd Order No. 55, s. 2016 entitled “*Policy Guidelines on the National Assessment of Student Learning for the K to 12 Basic Education Program*”, stated that the Department of Education (DepEd), through the Bureau of Education Assessment (BEA), shall conduct the Philippine Educational Placement Test (PEPT). The test is a nationally administered assessment for learners in special circumstances. The result of this assessment will allow these learners to: a) access or resume schooling; and/or b) obtain certification of completion by grade level in the DepEd formal system.

Specifically, it aims to fulfill the following purposes:

- To establish that students have met learning standards for specific grade levels.
- To determine the appropriate grade level of learners in special circumstances in the formal school system.
- To assess competencies in academic areas gained through informal and nonformal means for entry or reentry into formal school.
- To assess competencies in academic areas for entry or reentry to formal schools.

The test must not be used for grade-level acceleration but for the aforementioned purposes only (E.O. No. 733, s. 1981).

To avail of the PEPT, learners may register either onsite via a physical visit to the BEA at the DepEd Central Office (CO) or online via a Google link. This service charter pertains to the steps for the online registration for the PEPT.

#### 4. Philippine Educational Placement Test (PEPT) – Onsite Registration

DepEd Order No. 55, s. 2016 entitled “*Policy Guidelines on the National Assessment of Student Learning for the K to 12 Basic Education Program*”, stated that the Department of Education (DepEd), through the Bureau of Education Assessment (BEA), shall conduct the Philippine Educational Placement Test (PEPT). The test is a nationally administered assessment for learners in special circumstances. The result of this assessment will allow these learners to: a) access or resume schooling; and/or b) obtain certification of completion by grade level in the DepEd formal system.

Specifically, it aims to fulfill the following purposes:

- To establish that students have met learning standards for specific grade levels.
- To determine the appropriate grade level of learners in special circumstances in the formal school system.
- To assess competencies in academic areas gained through informal and nonformal means for entry or reentry into formal school.
- To assess competencies in academic areas for entry or reentry to formal schools.

The test must not be used for grade-level acceleration but for the aforementioned purposes only (E.O. No. 733, s. 1981).

To avail of the PEPT, learners may register either onsite via a physical visit to the BEA at the DepEd Central Office (CO) or online via a Google link. This service charter pertains to the steps for the onsite registration for the PEPT.

## 6. Registration for the Philippine Educational Placement Test (PEPT) for Validation Purposes via Special Administration Test

The Philippine Educational Placement Test (PEPT) for validation purposes is for learners who completed grade level/s in schools without a government permit. The test, which is done through a Special Administration Test administered by the Division Testing Center in the Schools Division Office (SDO), is to validate whether these learners met the learning standards for specific grade levels.

Section 6, Item 5.2 (Testing Centers and Test Administration Schedule) of the DepEd Order 55, s. 2016 or “*Policy Guidelines on the National Assessment of Student Learning for the K to 12 Basic Education Program*” states that the test may be administered at the school site as Special Test Administration. This supports DepEd Order 23, s. 2019 or “*Additional Provision to Section 6: Grade Level Placement Assessment of DepEd Order 55, s. 2016, effective School Year 2019-2020*”, which stated that all learners who will take the PEPT for validation purposes shall be given an assessment at their respective Schools Division Offices/centers.

This service charter outlines the procedures learners must undergo in registering for the PEPT for validation purposes through the Schools Division Offices. Learners who may register for

the PEPT for validation purposes through the division offices should have completed, without failed subjects, the grade level/s to be validated.

Schools Division Offices that opt to request for an onsite administration of the PEPT for validation purposes must submit an application to the Bureau of Education Assessment-Education Assessment Division.

### 2. Request for the Formatting of DepEd Order and DepEd Memorandum

DepEd Issuances are official documents containing policies, procedures, or information released and signed by the Secretary or other authorized officials. These include DepEd Orders (DOs) and DepEd Memorandums (DMs), which differ in scope and purpose.

A **DepEd Order** contains policies promulgated by the Central Office (CO) that are general or permanent in nature. Signed by the Secretary, DOs are department-wide or nationwide in scope and remain in effect unless rescinded or amended by another DO.

A **DepEd Memorandum** disseminates instructions or information such as the creation of committees or task forces, submission of reports, announcements of celebrations, surveys, examinations, contests, conferences or seminars, and the reiteration of regulations or laws issued by other agencies.

The DepEd CO and attached agencies request the formatting and styling of DOs and DMs prior to the approval of the Secretary or Executive Committee concerned.

### 1. Application for Leave

Leave of absence, for any person other than serious illness of an officer or employee or any member of his family, must be contingent upon the needs of the service. The grant vacation leave is discretionary on the part of the agency head or authority concerned, thus, mere filing of such leave application does not entitle an officer or employee to go on leave outright.

## 3. Issuance of Foreign Official Travel Authority

Travel Authority (TA) refers to an Order in writing issued by the approving authority allowing an official or employee to proceed to a specific place or location (the regular place of work and where the official/employee is expected to stay most of the time as required by the nature, duties and responsibilities of the position) outside of their permanent official station for a specific period of time to perform a given assignment or accomplish a personal purpose.

Based on the Omnibus Travel Guidelines for All Personnel of the Department of Education (DepEd Orders No. 043 and 046, s. 2022) DepEd officials or employees may request TA for either of the following:

- Official Travel – trips pursuant to a legitimate function or interest. These may either be official business (where transportation, miscellaneous, and daily travel expenses aside from salaries and benefits, are incurred and funded by the Department) or official time (where no government expenses are incurred/spent aside from the payment of salaries/benefits).
- Personal Travel – private trips for personal purpose and undertaken without cost to the government.

Official or Personal Travel may be further categorized into foreign (trips outside the Philippines) or local (trips outside the permanent official station). The minimum conditions for a trip to be considered official travel are the following:

- Highly relevant to basic education; for foreign official travel, must be in compliance with an international commitment/contractual obligation.
- Essential to the effective performance of official/employee mandate of functions.
- Projected expenses involve minimum expenditure or are not excessive.
- Presence is critical to the outcome of the activity to be undertaken.
- Absence from the permanent official station will not hamper the operational efficiency of the office.
- Expenses to be incurred is included on the approved Work and Financial Plan of the office/unit concerned.

DepEd officials and employees may apply for travel authority for the these foreign official travels:

- International conferences/meetings to which the Philippine government has commitments or to undertake official missions/assignments which cannot be assigned to government officials posted abroad;
- Scholarships, fellowships, trainings, and studies abroad which are grant-funded or undertaken at minimal cost; and
- Invitations for speaking engagements or receiving of awards from foreign governments/ institutions or international agencies/organizations as defined under international law, whether fully or partially funded by the government, upon endorsement to the Department of Foreign Affairs.

Note that travel authority shall not be issued for the following officials and employees:

- With pending administrative case;
- Will retire within one year from the date of the foreign official travel;
- Whose previous travel has not been liquidated and cleared;
- Who has not yet complied with reporting requirement/s for any previous travel.

#### 4. Issuance of Foreign Personal Travel Authority

DepEd officials and employees may apply for travel authority (TA) for private trips purely for personal purpose and undertaken without cost to the government. However, foreign scholarships/trainings sourced and pursued in their personal capacity need to be brought to the attention of the immediate supervisor or head of office before applying for TA. Likewise, those who intend to study abroad may be required to comply with the required service obligation after the period of their leave.

Note that those who have pending administrative case/s, unliquidated / no clearance / non-compliance to reportorial requirement for any previous travel shall not be granted foreign personal TA.

## Information and Communications Technology Service – User Support Division

### 1. Processing of Enterprise Human Resource Information System (EHRIS) Requests (Walk-in)

The Enterprise Human Resource Information System (eHRIS) allows active personnel in the DepEd Central Office to view and download their Daily Time Record (DTR) and payslips and raise Time and Attendance Deficiency (TAD) Service Requests for the approval of the head of office to accurately represent their daily attendance on the DTR. The USD provided support in eHRIS-related concerns such as the creation of account, updating of information, resetting of password, reflection of not reflected raised requests, and No Time logs.

### 1. Acceptance and Initial Evaluation of Employment Application

This service allows all interested applicants to vacant positions, whether internal or external to DepEd to submit their employment application to the Personnel Section through the Records Section of the Department of Education Regional Office. Applications are recorded and initially reviewed if the applicant meets the minimum qualification requirements for the position applied for.

All vacant positions that are authorized to be filled, together with their corresponding qualification standards and plantilla item numbers shall be published on the CSC website and posted in at least three conspicuous places for a period of at least 10 calendar days.

Individuals who failed to submit complete mandatory documents shall not be included in the pool of official applicants.

This service charter outlines the procedures regarding the submission of required documents by the applicant, and the initial evaluation of said documents by the Regional Office. The succeeding procedures will follow the DepEd Order No. 07, s.2023.

## 6. Issuance of Foreign Travel Authority (Personal)

Travel Authority (TA) refers to an Order in writing issued by the approving authority allowing an official or employee to proceed to a specific place or location (the regular place of work and where the official/employee is expected to stay most of the time as required by the nature, duties and responsibilities of the position) outside of their permanent official station for a specific period of time to perform a given assignment or accomplish a personal purpose. Based on the Omnibus Travel Guidelines for All Personnel of the Department of Education (DepEd Orders No. 043 and 046, s. 2022) DepEd officials or employees may request TA for either of the following:

- Official Travel – trips pursuant to a legitimate function or interest. These may either be official business (where transportation, miscellaneous, and daily travel expenses aside from salaries and benefits, are incurred and funded by the Department) or official time (where no government expenses are incurred/spent aside from the payment of salaries/benefits).
  - o Personal Travel – private trips for personal purposes and undertaken without cost to the government.
  - o Official or Personal Travel may be further categorized into foreign (trips outside the Philippines) or local (trips outside the permanent official station).

The minimum conditions for a trip to be considered official travel are the following:

- a. Highly relevant to basic education; for foreign official travel, must be in compliance with an international commitment/contractual obligation.
- b. Essential to the effective performance of official/employee mandate of functions.
- c. Projected expenses involve minimum expenditure or are not excessive.
- d. Presence is critical to the outcome of the activity to be undertaken.
- e. Absence from the permanent official station will not hamper the operational efficiency of the office.
- f. Expenses to be incurred is included on the approved Work and Financial Plan of the office/unit concerned.

### Issuance of Foreign Personal Travel Authority

DepEd officials and employees may apply for travel authority (TA) for private trips purely for personal purposes and undertaken without cost to the government. However, foreign scholarships/trainings sourced and pursued in their personal capacity need to be brought to the attention of the immediate supervisor or head of office before applying for TA. Likewise, those who intend to study abroad may be required to comply with the required service obligation after the period of their leave.

Note that those who have pending administrative case/s, unliquidated / no clearance / noncompliance to reportorial requirement for any previous travel shall not be granted foreign personal travel authority.

## Office of the Regional Director – Legal Unit

### 1. Correction of Entries in School Records

#### RO-Level Processing

This process applies to graduates requesting major corrections in their school records. These are changes that are not simple spelling errors, require legal review, or do not match official birth records, such as the Certificate of Live Birth. Requests involving a complete change of identity may no longer be processed administratively and may require a court order.

*Note: Corrections for currently enrolled learners may be processed through the school using the Learner Reference Number (LRN). The school shall validate the request and initiate the necessary correction following prescribed DepEd procedures.*

## 2. Request for Reversion in the Enhanced Basic Education Information System (EBEIS)

Even after the end of the school year, updates to learner enrollment in a class or section may still be made through the Enhanced Basic Education Information System (EBEIS), provided that school-level finalization has not yet been completed.

To reopen a finalized class, the School Head or authorized School Representative should click the lock icon and select “Reopen Updating.” This will allow changes to the enrollment status of learners under that class or section.

### 3. Request to Conduct Research Study

Researchers and other stakeholders involving teachers, teaching-related, non-teaching personnel, or learners in any or two or more Schools Division Offices (SDOs) as their respondents/participants should inform the Regional Office of their intent to conduct a research study.

The approved permit from the Regional Office is required before SDOs allow the conduct of data gathering. This service provides the process for requesting a research permit prior to data gathering.

#### 4. Review and Confirmation of School Division Office (SDO) Submitted Work and Financial Plans (WFPs)

This process involves the systematic evaluation of Work and Financial Plans (WFPs) submitted by Schools Division Offices (SDOs) to ensure compliance with budgeting guidelines and the accuracy of programmed activities and expenditures.

The Regional Office validates the completeness and coherence of the submissions—specifically the consistency between the total obligation amount and the total disbursement amount, ensuring no variance—provides necessary clarifications or feedback regarding the vertical and horizontal alignment of activities, outputs, and performance indicators, and formally confirms the SDO WFPs through the Program Management Information System (PMIS) as the basis for resource programming, implementation, and monitoring.

### 3. Verification and Signing of Billing Statements for Government Assistance Subsidy

Government Assistance Subsidy (GAS)-participating schools (ESC, SHS VP, and TSS) requests payment to the Private Education Assistance Committee (PEAC) Regional Secretariat through the PEAC Data Information System. Subsequently, the PEAC Regional Secretariat prepares and submits the billing statement to DepEd Regional Office.

## Administrative Division – Personnel Section

### 1. Application for Leave

Leave of absence, for any reason other than serious illness of an employee or any member of their family, must be contingent upon the needs of the service. The grant vacation leave is discretionary on the part of the agency head or authority concerned; thus, mere filing of such leave application does not entitle an officer or employee to go on leave outright.

## 5. Issuance of Foreign Travel Authority

Travel Authority (TA) refers to an Order in writing issued by the approving authority allowing an official or employee to proceed to a specific place or location (the regular place of work and where the official/employee is expected to stay most of the time as required by the nature, duties and responsibilities of the position) outside of their permanent official station for a specific period of time to perform a given assignment or accomplish a personal purpose.

Based on the Omnibus Travel Guidelines for All Personnel of the Department of Education (DepEd Orders No. 043 and 046, s. 2022) DepEd officials or employees may request TA for either of the following:

- Official Travel – trips pursuant to a legitimate function or interest. These may either be official business (where transportation, miscellaneous, and daily travel expenses aside from salaries and benefits, are incurred and funded by the Department) or official time (where no government expenses are incurred/spent aside from the payment of salaries/benefits).
- Personal Travel – private trips for personal purpose and undertaken without cost to the government.

Official or Personal Travel may be further categorized into foreign (trips outside the Philippines) or local (trips outside the permanent official station).

The minimum conditions for a trip to be considered official travel are the following:

- Highly relevant to basic education; for foreign official travel, must be in compliance with an international commitment/contractual obligation.
- Essential to the effective performance of official/employee mandate of functions.
- Projected expenses involve minimum expenditure or are not excessive.
- Presence is critical to the outcome of the activity to be undertaken.
- Absence from the permanent official station will not hamper the operational efficiency of the office.
- Expenses to be incurred is included on the approved Work and Financial Plan of the office/unit concerned.

- Scholarships, fellowships, trainings, and studies abroad, which are grant-funded or undertaken at minimal cost; and
- Invitations for speaking engagements or receiving of awards from foreign governments/ institutions or international agencies/organizations as defined under international law, whether fully or partially funded by the government, upon endorsement to the Department of Foreign Affairs.

Note that travel authority shall not be issued for the following officials and employees:

- With pending administrative case;
- Will retire within one year from the date of the foreign official travel;
- Whose previous travel has not been liquidated and cleared;
- Who has not yet complied with reporting requirement/s for any previous travel.

## 6. Issuance of Foreign Personal Travel Authority

DepEd officials and employees may apply for travel authority (TA) for private trips purely for personal purpose and undertaken without cost to the government. However, foreign scholarships/trainings sourced and pursued in their personal capacity need to be brought to the attention of the immediate supervisor or head of office before applying for TA. Likewise, those who intend to study abroad may be required to comply with the required service obligation after the period of their leave.

Note that those who have pending administrative case/s, unliquidated / no clearance / non-compliance to reportorial requirement for any previous travel shall not be granted foreign personal TA.

#### 4. Obligation of Expenditure (Incurrence of Obligation Charged to Approved Budget Allocation per GAARD and Other Budget Laws/Authority)

It is the fundamental law of budgeting and accounting that no disbursement shall be made without proper authorization. All claims chargeable against government funds need to be obligated first before payment and/or Purchase Order/contract can be done or entered into. This is to make sure that an amount is allotted for the payment of such expense and/or contract.

## School Governance and Operations Division

### 1. Application for the Issuance of Government Recognition to Private Schools (Kindergarten, Elementary, and Junior High School levels)

This service facilitates applications for formal Government Recognition from the Department of Education to private basic education institutions (Kindergarten, Elementary, and Junior High School) that demonstrate sustained, compliant, and satisfactory operation. Recognition confirms that a school's curriculum, facilities, faculty qualifications, governance, and learner outcomes meet national standards and allows the school to issue official, nationally recognized academic credits and diplomas.

After careful evaluation and validation at the Division Level, the application is then forwarded to the Quality Assurance Division, Regional Office for the issuance of Government Recognition.

## 2. Application for the Issuance of Government Permit to Operate for the Opening/Establishment of New Kindergarten, Elementary (Grades 1 to 6) and Junior High School (Grades 7 to 10) Levels/Additional Grade Level for Elementary (Grades 1 to 6) and Junior High School (Grades 7 to 10) for Private Schools

This service facilitates applications of private schools to secure a Government Permit to Operate, that authorizes a private school to open or establish a new Kindergarten, Elementary (Grades 1–6) or Junior High School (Grades 7–10) program—or to offer additional grade levels—for one school year. The permit certifies that the proposed school/program meets Department of Education (DepEd) minimum standards for curriculum, personnel, facilities, health and safety, and governance. Issuance is contingent on submission of required documents, satisfactory documentary review, and any required on-site verification.

After careful evaluation and validation at the Division Level, the application is then forwarded to the Quality Assurance Division, Regional Office for the issuance of Government Permit to Operate.

## 8. Application for Voluntary (Temporary/Permanent) Closure of Private Schools

Private schools voluntarily deciding to close all or part of its program or operations, either temporarily or permanently, are required to submit documents for endorsement to the Regional Office. The process ensures compliance with applicable policies and safeguards the rights and welfare of learners and personnel by requiring the school to provide timely transfer credentials, student records, and personnel documentation to affected parties and the SDO. The SDO evaluates submissions, coordinates necessary notifications and record transfers, and endorses closure to the Regional Office only after confirming that all protections and administrative requirements have been met.

This service charter outlines the procedures in which a private school will apply for temporary or permanent closure of all or part of its programs or operations.

This service is connected to the external service on “Endorsement of Voluntary (Temporary/Permanent) Closure of Private Schools”.

## 9. Endorsement of Voluntary (Temporary/Permanent) Closure of Private Schools

Private schools voluntarily deciding to close all or part of its program or operations, either temporarily or permanently, are required to submit documents for endorsement to the Regional Office. The process ensures compliance with applicable policies and safeguards the rights and welfare of learners and personnel by requiring the school to provide timely transfer credentials, student records, and personnel documentation to affected parties and the SDO. The SDO evaluates submissions, coordinates necessary notifications and record transfers, and endorses closure to the Regional Office only after confirming that all protections and administrative requirements have been met.

This service outlines the succeeding procedures from the Client's receipt of the Acknowledgment Letter in relation to its application, to the Client's turn-over of necessary documentary requirements which will trigger the onward endorsement of the Schools Division Office of the voluntary closure to the Regional Office.

Private Schools must provide learners affected by the closure with the necessary transfer credentials at the end of the School Year.

## 2. Application for Leave

Leave of absence, for any person other than serious illness of an officer or employee or any member of his family, must be contingent upon the needs of the service. The grant vacation leave is discretionary on the part of the agency head or authority concerned; thus, mere filing of such leave application does not entitle an officer or employee to go on leave outright.

## 6. Issuance of Foreign Personal Travel Authority

DepEd officials and employees may apply for travel authority (TA) for private trips purely for personal purpose and undertaken without cost to the government. However, foreign scholarships/trainings sourced and pursued in their personal capacity need to be brought to the attention of the immediate supervisor or head of office before applying for TA. Likewise, those who intend to study abroad may be required to comply with the required service obligation after the period of their leave.

<sup>9</sup> For the format and specifics of the required post-travel report, refer to DO 043, s. 2022 at [https://www.deped.gov.ph/wp-content/uploads/2022/10/DO\\_s2022\\_043-corrected-copy.pdf](https://www.deped.gov.ph/wp-content/uploads/2022/10/DO_s2022_043-corrected-copy.pdf).

Note that those who have pending administrative case/s, unliquidated / no clearance / non-compliance to reportorial requirement for any previous travel shall not be granted foreign personal TA.

## 5. Distribution and Usage of Printed Self-Learning Modules in Distance Learning Modality

In line with DepEd Order No. 22, s. 2024 as well as to ensure learning continuity during class suspensions and in situations wherein online learning is not possible, schools shall adapt modular distance learning modality. Parents, guardians, and learners are oriented on how learning at home will be facilitated through self-learning modules (SLMs). Upon receipt of the modules from the Central/Regional/Division office, schools shall immediately distribute them to learners to ensure the timely utilization of SLMs during class suspensions.

This service charter outlines the procedures from the distribution of the SLMs to segregation of returned SLMs.

## 18. Reservation Process for the Use of School Facilities

Schools regularly receive requests from other government agencies and private organizations to use classrooms or other school facilities for different purposes such as the conduct of CSC examinations, board exam review, or coop membership meetings.

This service charter outlines the procedures for requests received directly from clients and not through the Regional Office or the Schools Division Office.

## 1. Issuance of Special Order for Service Credits and Certification of Compensatory Time Credits

Vacation service credits are given for work beyond regular functions or beyond regular work hours/days where payment of honorarium or overtime pay is not possible. In addition, there are situations where extraordinary work is demanded from teachers including those which expose their lives to certain risks and for which monetary compensation is not enough. Thus, extra non-monetary compensation is justified.
